Blair Drummond Safari Park

Another fantastic day with the children! Today we went to Blair Drummond Safari Park. We arrived at 10am & headed straight for the sea lion enclosure. The children were very excited but would have to wait until later in the day to see the sea lion show.

We then visited, amongst other animals, the meerkats, penguins, donkeys, pigs, & llamas. Some of the kids enjoyed giving the "mini pig" a wee scratch!

They released some energy for an hour at the play park, climbing,

sliding & swinging before we headed back to the sea lions to watch the show. The kids were very enthusiastic & loved watching them perform.

After a quick picnic we went down to see the ostriches, elephants & giraffes then jumped in the mini bus & cars for the "drive through" animals. They were completely fascinated by the lions especially the large male & the playful youngster with it's mum.

It was then sadly time to head back to the hall for some concert prep before home time. Thanks to the team, Bob, Pat & Andrew & of course our lovely translators Tania & Luda for a great day!
