Daily Blog for the group visit ~ 2nd June to 30th June 2012

DAY 17 Monday 18th June - Stirling

We had a fabulous day out at the Peek in Stirling and were very well looked after by the staff.

First activity of the day was ice skating, where we had the rink to ourselves. The children were all eager to get on the ice and the advice from the instructors on how to get up after a fall was put to good use by just

about all of us! Some of the children used the friendly penguins for support but by the end of the session all of us (including Yulia!) were able to go it alone!

Next up was the swimming then onto a great lunch upstairs overlooking the rink. We all got to choose from the full menu and certainly managed to consume all the calories we had managed to burn off in the morning! All the kids chose either hotdog and chips or chicken and chips with plenty juice

to wash it down.

Then we were onto the sports hall for a bouncy pirate ship and ball games - table tennis, basketball, badminton and ping pong.

The group then split with 6 children making a return visit to the dentist and the rest back to the hall for ice creams.

Star of the day was Kristina who sat out at the swimming very patiently as she had left her swimsuit in the hall.
