

FOCC Edinburgh West – West Lothian

Daily Blog for the group visit ~ 2nd June to 30th June 2012

DAY 18 Tuesday 19th June - Water of Leith

Today began with a visit to The Water of Leith Centre, after a lovely short walk through Colinton Dell Woods the children and Kevin enjoyed some pond dipping in the water of Leith and the trays supplied by Helen or

instructor for the visit soon filled with all sorts of creepy crawlies and one fish which was caught by Dima.

We then went on a wild flower hunt of which the tied winners were Masha Bishop and Angelina Cotton. On our return to the Centre the children were shown by Helen how to make fish puppets which the children made to show their host families. We all enjoyed our packed lunches sitting by the river, then back to the Church hall Where Sandy was waiting with pottery and paints for some craft work, this was enjoyed by all the children, Katia and Olga the silence while concentrating on their art work was unbelievable

The day finished with concert prep

Star of today: Dima for catching a fish
