## Daily Blog for the group visit ~ 2<sup>nd</sup> June to 30<sup>th</sup> June 2012

### Day 2: Sunday 3<sup>rd</sup> June

After a long sleep the children appear to be recovering well from their long journeys. With reports today of cycling, swimming etc they are not taking long to get into the swing of things in Scotland again. The Broxburn/Uphall boys and Alena, Olya and Katia all attended an organized barbeque in the grounds of the scout hut in Broxburn. Great fun was had by all including Alena who won her race. Wee Vadim came along later sporting his brand new football top with his name on the back. Not only did his dream come true yesterday by getting his own football, he now has his own strip. He certainly put it to good use playing football for ages with some of the Scottish boys and of course his host dad John. Katia Olya and Kenny then went on a touristy walk around the centre of Edinburgh. Men beware if you are tempted to wear your kilt. Before coming here Katia had heard some rumours about what is not worn under the kilt and says her husband has asked her to find out if they are true. A likely story; the piper on the Royal Mile today almost got a big surprise! KT

Angelina, Veronika, Dasha and Vadim all got together at the Cotton's house for a play in the afternoon. You would not have guessed that they had only been here for 24 hours! 10 children and 3 dogs ran ragged for 2 hours... LK
