

FOCC Edinburgh West – West Lothian

Daily Blog for the group visit ~ 2nd June to 30th June 2012

DAY 6 Thursday 7th June – Dentist and Specsavers.....

Today saw the welcome to Scotland visit to Specsavers in the morning where Ted and his staff in particular Leanne and James who welcomed the children to their shop which they specially opened early just for them.

All the children had their eyes tested with four requiring spectacles which were made up and fitted in the afternoon what a great service.

On leaving the children all received goody bags from Tubes with a towel and drinks bottle and a bath bomb and shower gel from Lush and a bag of sweets from Henleys with the centre providing a parking pass and McDonalds providing a happy meal voucher thank you all. Back to the hall where we continued with our English lessons then sausage rolls and spaghetti hoops for lunch.

On to the dreaded dentist! not really because Ian and his staff at Bathgate Dental Spa were great at putting everyone at ease with many of the children requiring treatment although some will have to have a further visit to complete their treatment.

Today all the children were stars but the **star of the day** has to be Katia who had five fillings and still managed to come out smiling.
