DAYS 8 and 9 Saturday 9th and Sunday 10th – Family Fun

Nikita McLean

Just to say that Lenny (my husband) took Nikita and Elvie to climb Arthur's Seat on Saturday. It was exhausting, but they all managed it.

Andrei Smith

Caught 4 fish on Saturday (3 Brown Trout & 1 Char)

and had a great time at Blair Drummond Safari Park on Sunday.

Pasha Turnbull & Alena Cunningham

On Saturday Pasha (Turnbull) & Alena (Cunningham) had a trip to the beach at South Queensferry. Stone skipping, crab hunting and of course ice cream were the order of the day. Managed to avoid getting wet between rain

showers but Pasha still managed to get wet feet from a couple of mishaps with rock pools! Considering they had been so brave the day before holding snakes and spiders neither were keen to pick up the tiniest crabs!

Veronika Kirkland and Dasha Johnston

Veronika and Dasha spent Sunday at Almond Valley Heritage centre and then playing at the Kirklands with many children! Favorite place at the Farm was the rats in the toilet also some enthusiastic climbing resulted in new signage.....
