Swimming, concert and games

The day started out with a few quiet games and some concert practice. Then a nice snack of sausages and tomatoes. Next was a trip to the Swimming Pool in Broxburn where 18 out of the 20 children were assessed on their confidence in the water or their ability to swim, with the other 2 to be assessed on their next visit.

Many children who started out wearing armbands finished without them, so a big well done to them. The children also enjoyed lots of time to play in the pool. The swimming pool is always one of their favourite days out.

Back to the hall for lunch. In the afternoon we were to go for a nice walk and climb the small hills just outside Broxburn, but with 45 mile per hour winds, in the interests of safety we didn't do this. The thought of children turning into kites with no strings, was not something we wanted to risk 😊

So it was an afternoon in the hall with lots of Belarussian music, dancing games and some more concert practice. The concert is shaping up to be a great night, or is it greet night, anyway bring your hankies 😊

Snack and some more games finished off a nice indoors day. A big thank you to all who helped. We had another September host with us today, so our new September hosts are racking up some invaluable experience of duty days.
