

Wed 3 June

Sports day/Dancing

Today we had a fun sports day at Broxburn United Sports Club. We enjoyed many different games with the parachute but the favourite was cat and mouse, with the mouse under the parachute and the cat on top of it trying to catch the mouse by feel only. There were lots of cunning mice who were very difficult to catch especially Sasha and Nikita. Then we had some team games with egg and spoon race, and three legged race the favourites. Before lunch we had a big game of rounders.

Lunch was a packed lunch which we had in the lovely Café area at BUSC. The children were asked what they would like to do for a short time after lunch and the boys wanted football and the girls wanted more parachute games. The children were all given gifts of a drinks bottle and a football. Huge thanks to our friends at BUSC.

We then took the short walk to JHM dance studio, where the girls were working on and learning a Scottish dance and the boys were learning how to do more breakdancing. Some of them were excellent at it especially Kiryl and Sasha.

The day finished off with some quieter activities at the hall which was a nice end to a very energetic day.
