

Sat/Sun 6/7 June

Weekend

Some pictures from the childrens weekend activities with their families. These included birthday parties, dog walking, visits to the seaside, first communion for host sister, boat trip to inchcolm island, 2 visits to the zoo, visits to M & Ds, lego making sessions, visits to the park, dressing up, hair braiding and lots of shopping to buy nice things and warm clothes. A great weekend was had by all and we had some tired arriving for school this morning but they are having fun and are looking forward to our third week of activities.
