## Dancing/Swimming

Busy, busy day.

After lessons we went to JHM Dance Studio and the children had a lot of fun learning a dance for the concert. The boys were just as enthusiastic as the girls ( although perhaps not quite as co-ordinated ). Huge thanks to Joanne for taking the time to teach the children the dance, although maybe a wee follow up lesson is required 

After lunch we went swimming and a lot of fun was had by all. At one point there were only 2 children swimming with arm bands which is great progress.

A little more concert practice and that was the end of busy but fun day.
