Bagpipes/Beecraigs

Another brilliant day.

Morning lessons were interrupted by Martin who brought his bagpipes and gave us all a tune. All the kids managed a wee shot on the pipes so, if any of them has the cold, they all have it now 😊

Afternoon was spent at the play area at Beecraigs Country Park which is always a favourite with the children. They had a ball playing on all the different interesting and fun things to play on.

They also had "official" photographs taken for our "after" pictures which will feature in various places and copies will be given to the host families and also sent home to Belarus.

After Beecraigs it was back to the hall for a well deserved snack 😊
