Concert

Today was all about preparing for the concert and making sure everything was ready. Yuliya and Lena have worked very hard over the month on the concert as have the children and what a great concert they gave us this evening, with many items in English. Amazing considering that until 3 weeks ago they didnt speak a word of English.

It was so good to see how much the childrens confidence had grown and how much they all enjoyed performing for the crowd. The smiles on their faces were a delight to see.

Here are some pictures from the concert. Apologies for the quality of the photos but hopefully it will all look good in the DVD, which we will post a link to when it is ready, hopefully in the next week or so.

Tomorrow is the last full day but all good things must come to an end and its been a great month.
