

Tues 8 Sep

Swimming/Group meal

The morning today was spent mostly in lessons.

After lunch (with the usual swaps of packed lunch items 😊!) 12 very excited children headed to the swimming pool. They had a ball! All the children are improving in confidence, some swimming with arm bands and some 'sausages'. As well as being great fun their swimming is improving too. After snack there was a drawing session with some budding artists in the group.

Then off in minibus to Livingston Football Club for dinner and entertainment with the host families and Magic Mac the magician. The children had so much fun watching and speaking with his puppet monkey, were bamboozled by his tricks and laughed at them and loved the balloon sculptures made for all of them.

Huge thanks to our friends Magic Mac and Simon Preece and his team at Food Creations for their kindness this evening and making it such a nice family fun night.
