

Week 1

Friday 9 August 2019

Under the direction of our beautiful cabin crew (Ira and Olya) all passengers boarded the FoCCbus on time. With Buspilot Dave at the controls, ably assisted by Busnavigator Norrie, we sped through the stormy weather to our destination - the Broomlee Centre. On arrival we were welcomed by staff and met with the Biggar kids - many intergroup hugs - before being taken on a tour of the forest and introduced to the local wildlife - mostly midges. After a game of Tig we regrouped for snack - freshly cooked scones and jam plus melon. This was followed by a game of steal the flag before a late lunch. As the Biggar group had to leave at 2pm we decided to do the same and, just as we were waving goodbye, the rain stopped, it got brighter and we sped home under blue(ish) skies. Once back at HQ the rest of the afternoon was spent chilling with crafts and a film.
