

Week 1

Wednesday 7 August 2019

Great day at New Lanark, and not a spit of rain. Guided tour, with Lisa choosing to always be beside the nearest artificial food! , spotted a familiar Samovar for tea in the big house. A lesson by a very strict teacher in the school, followed by a Virtual 'ride' that took them back to the 1820s, lunch, a walk to see the waterfall, play in the park, met a loveable dog, and ended with ice cream in the sunshine. Finally back to the college just before the thunder and lightning, so brilliant time for the children to chill with a movie while the adults enjoyed a cuppa.
