

Week 2

Friday 16 August 2019

The day dawned black, rainy and windy - perfect for a day at the beach not. Plan B was proposed and quickly accepted. The morning was spent at Potter Around where the children painted mugs. It was not our first visit here and, as always, we were extremely well looked after with the kids being supplied with juice and biscuits and the interpreter/helpers receiving welcome cups of tea. The kids also had the chance to watch two very talented ladies who were actually making pots from clay on a wheel.

Back to FoCC HQ for lunch and some form of table football tournament ensued but it was unclear if points were awarded for goal scoring or for screaming - maybe both. After tidying up the room (thanks to all the kids who helped) it was off to Livingston and the Vue cinema for Lion King. It must have been very dusty inside because there were a few watery eyes at certain points.
