

Week 2

Tuesday 13 August 2019

The sun is shining today. Woo hoo!!

English lessons started with a little revision then and a game called 'I can see' where the children told everyone about an object that they could see from a selection provided.

Following a short break and snack we all boarded the disco bus bound for Helix Park, Falkirk where we played.

We had lunch at the area with water jets without anyone getting too wet.

We then walked through the park to see the Kelpies. So what is a Kellie? Kelpie, or water kelpie, is the Scots name given to a shape-shifting water spirit inhabiting the lochs and pools of Scotland. It has usually been described as appearing as a horse, but is able to adopt human form.

Gracia shared out the small coins in her purse so that the children could throw a coin into the water surrounding the Kelpies and everyone made a wish. Ira was given a silver coin so that she could make a bigger wish. Those wishes have to be kept a secret - for them to come true.

As the sun was still shining we asked the children if they would like some sun cream. They decided ice cream would be better. We then had a walk around the visitor centre to learn a little more about the Kelpies and to shelter from a sudden small rain shower. Scottish Weather! Back on the bus and to base camp.
