

Week 3

Friday 23 August 2019

This morning started with a bit of crafts then off to Blackness Castle . The guide Graham piped the children into the Castle and we had a tour - after suitable health and safety talk. Fantastic views of the Forth and the 3 bridges, a little history lesson (of most interest where the inhabitants did the toilet....) then a run about in the grounds in the sunshine before heading back for lunch.

This afternoon we picked up the glasses- very trendy, especially Dima's.... then off to Bubbles - big hit all round- sorry no photos in pool allowed. Then back for birthday celebrations, thanks to the Grants for the delicious cake- NONE left I'm afraid, and of course fun with the piñata and thanks to Dave for picking up the Mugs from Potter Round too.
