Away sharpish for our trip to the Museum of Rural Life near East Kilbride

Once there we had time for a quick snack and safety brief before the lovely Marjorie showed us how butter was made. After which the kids had a go themselves and even got to eat it on crackers. Bathroom break before boarding the tractor for the 10 minute ride to the farm to see the animals - many of which we smelled before we saw. The lovely Seline took us to meet the Tamworth pigs and their piglets, calves, chickens, horses and Olya's first real live Highland Coo. Lunch was back at the museum and, after a quick look around the museum (during which we sensed that the kids were getting restless) we boarded the bus and went to a park for an hour. I have to say that the kids sang magnificently on the journey back to FoCC HQ. Although highly enjoyable, it was evident that not everybody was singing the same song and it seemed to be some sort of competition.
