

Saturday 15th & Sunday 16th June

Veronika

We went to Deep Sea world at North Queensferry. Great fun and we stroked a (small) shark!

Vicka

Palina and Vicka (& Mia) went to the Glasgow Science Centre on Saturday afternoon where they had great fun exploring the displays. In the evening they joined Pasha & Andrei at a BBQ to raise funds for our charity, hosted by Guy & Elspeth Rodger.

On Sunday Vicka spent a few hours on the beach at Blackness before heading to South Queensferry for ice cream and a flying visit to

McDonalds!

Sergei

Fairly quiet weekend for the Keenan family but we ventured down to Lanark Loch on Sunday where Sergei had great fun with Beau & Emily followed by MORE ice-cream!

Andrei

On Saturday we took Andrei to The Time Capsule in Coatbridge as he wanted to “go on waterslides”. He had great fun with his two Scottish brothers, Andrew and Alistair, racing on the flumes and letting the big bucket of water tip over him before swimming in the wave pool. Then it was a visit to the fire station for a shot on the fire engines and then a barbeque at night. On Sunday we had a more relaxing day at South Queensferry.

Nikita

We didn't have a terribly exciting weekend but we did go for a cycle with Nikita.
