Friday 21st June

Five Sisters Zoo & Rockin' Rascals Disco

On Friday we left shortly after 9.15 to go to 5 sisters zoo at West Calder. Pauline at the Zoo left us in the capable hands of George one of the bear keepers who gave us a talk on the three bears in the zoo (not a sign of goldilocks) helped by Nicola.

A short tour of the park followed then on to the Leaping Lemurs (soft play area) for some fun and a chance to burn off some energy. Lunch

Just finished the photo call when Emma and Yvonne arrived from Rockin Rascals for the disco. The children enjoyed decorating biscuits before the music got underway. At half time break we had hotdogs and a drink followed by some games and dressing up. Before leaving the children had fruit, crisps, biscuits, sweets etc: a great day and thanks to all who helped.
