

FOCC WEST LOTHIAN DAILY BLOG 2013

Tuesday 4th June

Bathgate Academy Swimming and Scottish Owl Centre

The children attended Bathgate Academy in the morning for swimming and games.

Swimming was well liked with some games and a bit of canoeing thrown in. It was great to see them all enjoying the pool.

Snack was laid on out in the sunshine. As it was such a nice day, it was decided to move out to the AstroTurf court for a game of rounders and some fun races.

We all had a lovely lunch in the dining hall where the children were presented with medals and bags containing a variety of gifts. All too soon it was time to leave with a loud "thank you very much". Huge thanks to the head teacher and his staff including some former pupils for pulling out all the stops to make sure our kids had a ball.

Then it was on to the Scottish Owl Centre at Polkemmet Country Park. The children saw all the owls in their aviaries and then watched the flying display in the indoor arena. Oh, and by the way, they almost wore out the slide !!!

Many thanks to the Owl Centre for hosting our children for the afternoon.

"Helloooooooo, where are you?"

WEEEEEEEEEEEEEEEEEE.....
