## Wednesday 19th June

### Swimming and Dennis' birthday

The morning started with the normal lessons before making our way to Broxburn swimming pool where everyone had a great time, including the big kids Gary Kenny Bob and all. Dasha was a particular help on poolside. Sasha, Krystina, Natasha, Masha and Dasha were all a great help in the changing room making sure that the younger girls hair was dried.

Then back to the church where our co-ordinator Kenny conducted a short service giving a very touching talk about the work of F.O.C.C. The children sang in English with the congregation joining in. We all finished off with a rousing Happy Birthday to Dennis who was 10. Then through to the hall where we were treated to lovely homemade soup and rolls from Evelyn McCreight and her team.

After lunch off to the park for some games before returning for some birthday cake, a drink and some concert prep.

Boy are we in for a treat on the 26th
